**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose the US Telecom Petition. Having a choice to choose better service including better technology, high level of customer service, and optional services for small business owners is necessary for todays economy. Small business owners are the foundation of our country and a better hope for individuals- more jobs, better pay, not outsourced to foreign countries and slave labor. We must protect our home and our people- not foreign conglomerates.

Keep competition alive in our own cities and state. In our own country.
